PEMBINA VALLEY BIBLE CAMP

2024 SUMMER CAMP BROCHURE

# ABOUT PVBC

*At Pembina Valley Bible Camp, campers get to connect with God through nature, receive Biblical teaching, develop skills and have unique experiences in intimate group sizes.*

## What types of camps does PVBC offer?

PVBC offers three styles of summer camp: specialty, traditional, and leadership.

### 1. Traditional Camps

Our traditional camps include Junior and Teen camp. These camps allow campers to experience a variety of camp skills throughout their week instead of focusing on one specific skill area like specialty camps.

### 2. Specialty Camps

Specialty camps are for 13-17 year old campers and focus on one particular skill area. Campers spend approximately 4 hours each day in their specialty area. Campers will return home with new skills, abilities and hopefully inspired to further their craft.

### 3. Leadership

Breakthrough Discipleship is our leadership camp. It is a unique 2-week program designed to encourage and challenge campers to grow in their relationship with God. Breakthrough also helps prepare campers to make the transition from camper to the possibility of becoming staff at PVBC.

### New for Sumer 2024

- Pathfinder now has beginner and intermediate levels
- Trailblazer now has an intermediate and advanced levels
- Outback Trail Camp is a new addition to our horse program. This camp is for highly advanced riders to continue their horsemanship development at PVBC.
- Advanced Wilderness is a new camp that provides an option for campers to take their wilderness experience to the next level.
