### **Prizes and Give-a-ways**

The team that cuts & splits the most wood will win prizes, as well as a prize will be awarded to the best lumberjack dressed participant and the best beard.

### **How are funds raised?**

We have been blessed by corporate sponsorship with \$100.00 for every cord of wood that's split and stacked.

### **What's the purpose and where are the funds going?**

Wood is the camp's main source of heat through the cold winter months, and as such, a large quantity is needed (Aprox 100 chords/year). This event will serve two purposes, one being to cut and split a years supply of firewood, and the second is to raise funds to cover the maintenance of our heating equipment and future replacements of one of our wood boilers. This year our goal is to raise \$10,000 through cord sponsorship
